EFFLORESCENT^{and the} *Story Behind*

EFFLORESCENT is a more defined reinterpretation of CHRISTIN WU's state of identity in the shoe making art. The collection aims to celebrate CHRISTIN WU's milestones and to showcase the very idea of its ever-growing, ever-evolving identity.

With the use of organic materials such as fresh water pearls and silhouettes that resemble blooming flower and vines in the designs, the collection symbolizes the celebration of growth and EFFLORESCENCE within every woman.
