## **“WILD WEST MIDNIGHT”**

The 25FW collection from LIBERE introduces a new take on urban western style, blending the vast natural freedom of the “WILD WEST” with the mysterious allure of “MIDNIGHT”—a deep and captivating urban darkness.

In this collection, “MIDNIGHT” transcends the concept of mere nighttime. It represents the quiet tension and fleeting beauty of the moments where day meets night, and night transitions to dawn—a delicate balance of light and shadow, brimming with subtle brilliance.

Each piece captures the resilient energy of Western aesthetics through distinctive silhouettes and intricate details, while the element of “MIDNIGHT” imbues a sense of mystery and depth. The result is a striking fusion of two worlds, brought to life in vibrant, compelling designs.

This collection reflects LIBERE’s desire to illuminate the path through the ever-changing landscape of brands and trends. We hope it inspires you to discover new styles and fresh perspectives, much like finding light in the midst of darkness.

Discover the dynamic synergy of “WILD WEST MIDNIGHT” in LIBERE’s 25FW collection—a bold statement of innovation and hope in modern fashion.
