PRODUCT QUALITY

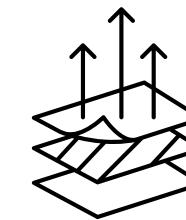

MADE IN EUROPE

Produced by our partner manufacturers locally in Europe, we are supporting family owned businesses and build trust in long-term relationship.

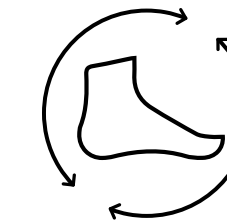

REMOVABLE FOAM FOOTBED

The insock can be removed to make room for your own insoles.

HIGH BREATHABILITY

The product offers high breathability for perfect all day wear.

PERFECT FIT WITH MEMORY FOAM

Perfect fit thanks to high-tech foam that adapts specifically to your anatomy.

LIGHT WEIGHT

Exceptionally lightweight construction for perfect wearability all day long.

UPPER

The upper is made of high-quality leather for optimal comfort and pleasant breathability.

INSOCK

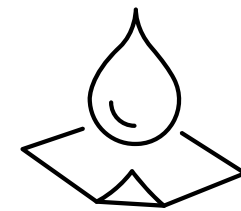

Insock made of high-quality leather for a comfortable fit and pleasant breathability.

SUSTAINABILITY

WITH RECYCLED MATERIALS

We are constantly increasing the share of products containing sustainably sourced materials like pre- and postconsumer recycled rubbers and fabrics.

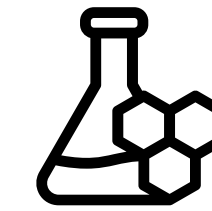

WITH WATERBASED MATERIALS

We are constantly increasing the usage of water based materials that are free of chemical solvents, thus consuming up to 95% less water and 50% less carbon emissions.

FSC

All our consumer packaging bearing the FSC logo is certified by the Forrest Stewardship Council and derived only from responsible sources to protect the forests.

CLEAN PRODUCTION

We are making sure that our products do not contain harmful or toxic substances and that the legal thresholds are complied with.

VEGAN

95% of our products bears the PETA APPROVED VEGAN certification. No animal ingredients or additives are used in those products, for a conscious consumer choice that aligns with their values.

TRANSPARENCY

All our production partners are audited regularly to make sure that our production complies to socially responsible business practices.
